What is Engine (pronounced as “engine”)

Yes, We know the answer! Japanese (Event)Engine

Engine Inc. is an event services company providing promotional event planning including video, audio, lighting, staging and event coordination & communication services targeted to the corporate, association and local government in all Area over Japan.

More information available at : <http://engine.jp>

Our three most important features are:

“Standout Production”

Our concept is to provide every client a planning based on its main concept, theme and storyline, which will be embodied by the script, video and audio production.

“Know-how Endorsed by Rich Experience”

The representative in charge of providing in MICE arena is a professional event producer and director whose work career covers wide-ranging services including planning, designing and operation of both domestic and international events over the past few decades. The representative has particularly-abundant experience of planning incentive events taken place in various counties in the world.

“Stay Sincere and Cordial”

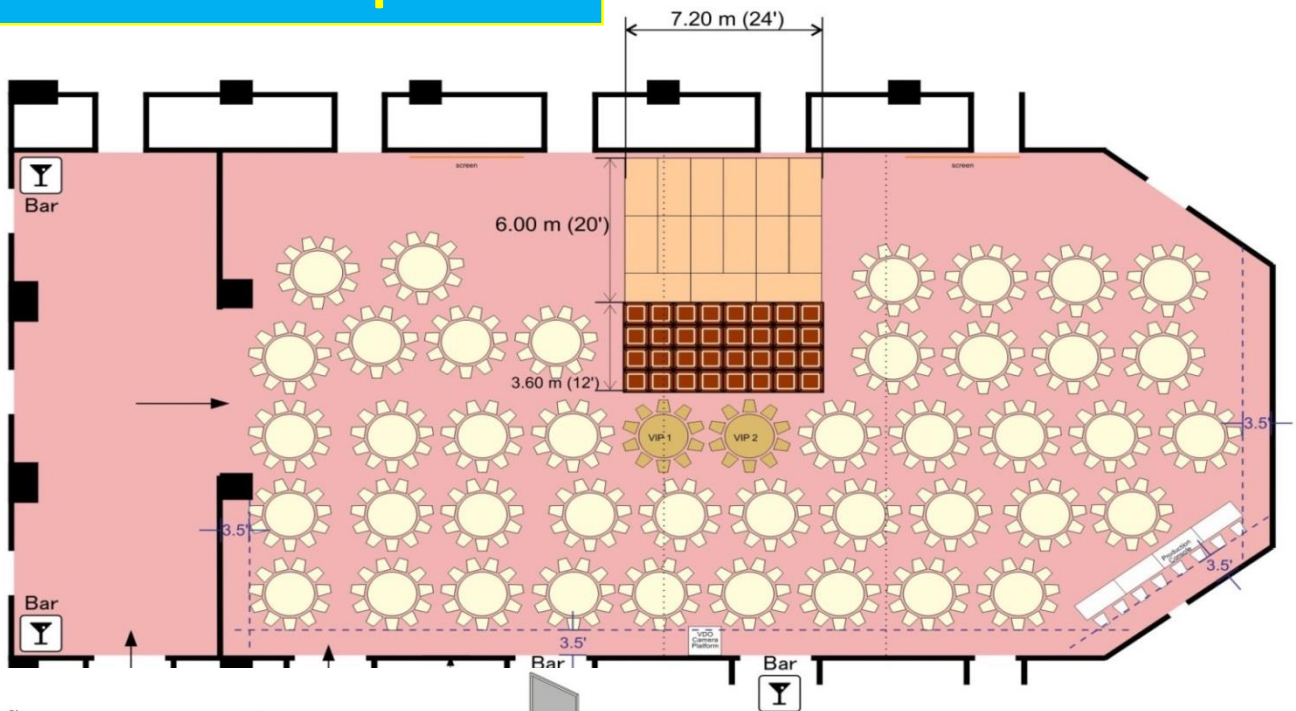

Engine is not just a mere event company, but a professional company that find solutions that work for each event and operate it directly at the site. We work together with our clients to develop events that bring real satisfaction and empathy through our craftsmanship in planning and directions.

Feature 1 : An Expert for Award Dinner

When you consider organizing Gala dinner for your client , you would need some provider concerning Audio, Video, Lighting, staging , performers, costumes , carnival games....

What We can provide

Floor Plan(drawing)

Back drops

Tarpaulins or PVC Wrap on Plywood

Engine can provide them as a one-stop production company.

Furthermore, our service would be more cost-effective compared to that of other suppliers.

Feature 2: QUICK response and BEST quotation

Enjine is a production company that specialized in Event, so we will answer for your request promptly, in addition we will show you our professional and best quotation that you would be satisfied with.

Should you have any inquiry, please feel free to contact (email) us.

Feature 3: OUR Original TEAM BUILDING

WE have an original "TEAM-BUILDING" Games in TOKYO(HARAJUKU area) .

We will support you to strengthen your teamwork through this games with the experience of Japanese and Harajuku culture.

What's Harajuku Karuta?

Harajuku Karuta is a team building game for visit Japan tourists.

Harajuku is famous cultural city in Tokyo.

You can learn about Japanese traditional and Pop culture.

Karuta is Japanese traditional card game like a trump.

As you clear missions on Harajuku map, you will get Karuta cards. Using the Karuta cards, you will try to form words, and get the highest points is winner.

Schedule

9:00AM Explain the rules
gather at the start room in hotel and we will explain the game's rules.

9:15AM Strategy meeting
One team is composed of five people.
Each person is distributed a card at random.
Your team has to decide which experience you want by game of scissors paper rock.

9:30AM Start from hotel by bus and train.

10:00AM Arrive at Harajuku station.
Team building start.

1:30PM Team building finish and enjoy your lunch and free time.

6:00PM Return to hotel and make words using your team's cards.

7:00PM Gala dinner start
the announcement of result in the awards ceremony and get the highest points is winners.

*You can choose some missions for your request.
*You can change the setting time.
